President's Message

Greetings
and
Happy New
Year! As we
say good-
bye to 2022

and usher in this new year, I'd like to thank the Lord for His abundant faithfulness and you, for your loyalty and generosity over the past three years.

The work of Soul Care Global Ministries is not possible without you.

Our goals and desire for 2023 is to continue sharing the message of hope, communicating the saving gospel of Jesus Christ reaching the most vulnerable groups worldwide that fulfill our vision statement. We would also like to update our website!

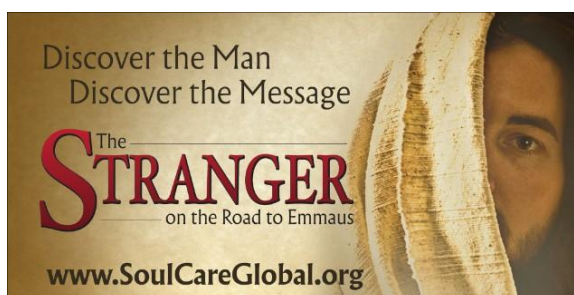

Even in the midst of U.S. and International crisis (Covid-19, Monkey Pox, and Ebola) the past three years has proven we serve a God of possibilities!

As many of you know, my life verse is Jeremiah 29:11-13
"For I know the plans that I have for you, declares the Lord, plans for welfare and not for calamity to give you a future and a hope. Then you will call

*upon Me and come and pray to Me, and I will listen to you.
And you will seek Me and find Me, when you search for Me
with all your heart.”*

Would you join me in considering all the possibilities this new year could bring? Let our hearts be still as we call upon Him, seek Him and pray to Him. May we taste and see all that He has for us, plans for welfare and not for calamity. To give us a future and a hope. God has work for us to do, and He is *still* faithful.

Mike and I are currently in the process of scheduling several “*The Stranger on the Road to Emmaus*” Bible study courses. We are excited to share the message of hope that we have in Christ Jesus, our Savior and Lord. If you are interested in hosting a study, please reach out to schedule with us.
