**TO GOD BE THE**

We've all heard the saying, April showers bring May flowers...spring is the time when everything comes back to life. April for the believer is a time of resurrection hope beyond the grave. Jesus' resurrection guarantees it!

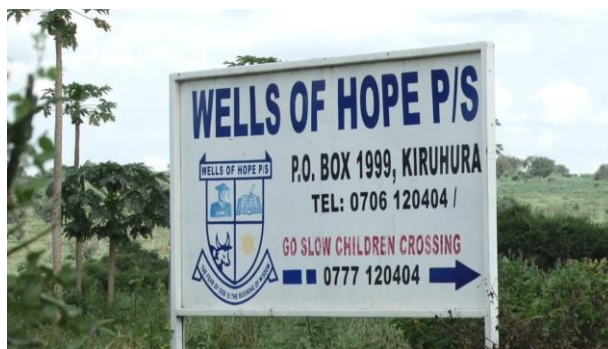

In John 4:14 Jesus met the Samaritan woman at the well and said to her "whoever drinks of the water that I shall give him shall never thirst; but the water that I shall give him shall become in him a well of living water springing up to eternal life."

**ALL OUR HOPE IS IN JESUS**

## EVANGELIZING - CRUADES

Emmanuel loves Evangelism  
Discipleship! Thousands of  
hungry people are showing up  
hear the gospel across

Tanzania, Uganda and Kenya with hundreds coming to  
know Jesus Christ as their Lord and Savior! Isaiah 49:13

In March while crusading in Tanzania, the Muslim communities were angered  
and had the police put Emmanuel and two others in jail for two days. “By God’s  
grace we were divinely protected and we came home safe. We praise God for His  
faithfulness.”

## EMMANUEL’S PRAYER REQUESTS

- \*God’s protection over him, the school, the kids and their families.
- \*God’s provision for his needs and the needs of the Ministry.
- \*More open doors to share the gospel and

## DISCIPLING -

and  
to

bring many to Christ.

\*Pastors to love discipleship and to disciple their Church Members.

\*School Dorms to house the 19 students that were orphaned during Covid-19.

“When you serve in a poor community, it’s very difficult to ignore people in need. Feeding and providing for 19 kids has been so difficult. We have had to send some away to foster families so we can provide some support as God provides. God is a father to the fatherless.”

“Last year, we lost several of our students to Malaria fever. So we tried this time to provide Mosquito nets so they can be protected from Mosquito bites. I pray for God to continue protecting them.”

Thank you for your continued investment in the work of Soul Care Global Ministries. Your prayers and gifts are changing lives! Our monthly sponsors are the bedrock of this work, and without your generous and faithful support, our work would not be possible.

Lord willing, Emmanuel will be returning to the States this summer.

Our goal is to travel with him visiting churches and supporters to share what the Lord is doing through their faithful prayers and support. So far, our itinerary includes Washington State, California, Texas and Ohio.

With Much Gratitude and Joy,

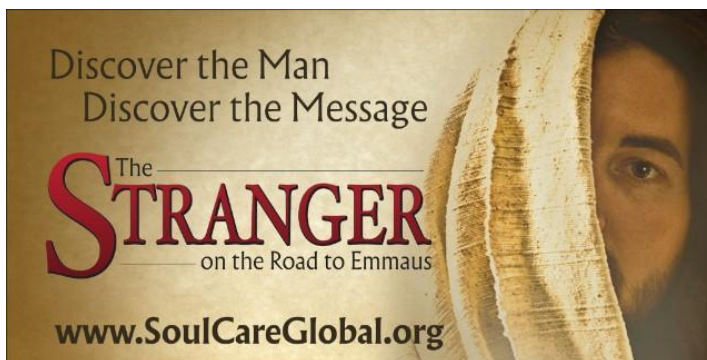

**Shari**
