Inspiring Faith and Hope

Spiritual Harvest of Souls

Matthew 9:36-37 ...The harvest is plentiful but the laborers are few.

By: Shari Bacon

Autumn, the season between summer and winter. When the leaves change color and start falling from the trees. When the air is cool and brisk, swirling with scents of cinnamon, vanilla and pumpkin spice.

Harvest time has always been a beautiful and important part of life on earth, the time when the years' work bears fruit and the people are fed.

A Spiritual Harvest is a result of God's work in the heart of man. When the Word of God is sown, their hearts become good soil. One who sows to the Spirit shall from the Spirit reap Eternal Life.

HIGHLIGHTS OF EMMIE'S TRIP TO AMERICA

Page 3

Thank you for helping us be LOVE IN ACTION! Whether at Wells of Hope School or at Crusades throughout Africa, Thank You for helping us sow seeds of GOD'S LOVE. Your love and advocacy for our vulnerable friends around the world is making an IMPACT! Thank You for PRAYING, GIVING, and SHARING. You are making a difference and we couldn't do this work without you. Helping transform lives for Christ is what we're called to do! Galatians 6:9-10 "Let us not grow weary of doing good, for in due season we will reap, if we do not give up".

With a Thankful Heart,
Shari

Ministry Update

By: Emmanuel Ruheza

Matthew 24:14 And this gospel of the kingdom shall be preached in all the world for a witness unto all the nations, and then shall the end come

I am writing to give a few updates about us. Within a few days of my safe return home from America on October 17th, I caught malaria. I was admitted to the hospital for two days and continue to get better so I am ready for our many crusades scheduled. The first one is Nov 2-3, 2023. So many people are responding to the Gospel Message. I, and the team, know that we cannot just share the Gospel and move on. DISCIPLESHIP IS OUR NEXT ASSIGNMENT!

Wells of Hope School

By: Winnie

School Administrator

Third Semester - Our kids have returned after a month-long break and we're happy to report all turned up, none died. Due to contamination, poor hygiene and congestion in small huts back home, disease and malnutrition result. It's a big blessing to see them back alive and well. Thank you for your prayers! We are forever grateful!

Third term is our busiest term when kids are promoted from one class to the next. Teachers are very busy working hard to finish well. We are so thankful for our teachers who are selfless and giving their best to make sure the kids are well taught!"

Grade Seven National Exams are happening now to promote going to secondary school next year. Please keep these kids in your prayers.

Please join us in praying over some of the following current and future needs of Rwakobo Village and Wells of Hope School:

We cut a cake for our Primary seven level. On the 7th of November, Monday, they will take their National Examinations. We will try to lobby for some to get scholarships for them to attend Secondary School. It is bittersweet but we entrust them into the hands of their Savior.

Prayer Requests - Please join me in praying for:

- ❖ God's provision to host a Christmas party with food and presents for our kids.
- ❖ Protection for travel to/from crusades.
- ❖ Provisions for Bibles in local dialects.
- ❖ Provisions to Disciple new Believers.

- ❖ Provisions for food as prices continue to skyrocket.
- ❖ Provisions to pay appropriate wages to our teachers (15) to help keep them self-motivated and meet their personal needs.
- ❖ Provisions to construct more lavatories per the Ministry of Health requirement due to the number of kids attending.
- ❖ Provisions to construct a perimeter wall around the school for student/teacher safety.
- ❖ Provisions to construct an administrative building for offices. Currently everyone is working out of the classrooms with the students.
- ❖ Water. We need it to survive, drink, keep safe and use. Provisions for a well or city water piped in.
- ❖ Housing for orphans

Highlights of My Trip to America

By Emmie

Most importantly, I'd like to extend my deepest appreciation for everything that we accomplished while on my visit in the US this summer. Indeed it was a time of refreshment!

- ❖ For my physical strength and physical healing.
- ❖ Provisions to begin providing a meal for our students.
- ❖ Provisions for a vehicle upgrade. My team and I get stuck in the mud with my two wheel drive car. Please pray the Lord provides an appropriate means of transportation for the terrain that will keep us moving and keep us safe.

My visit with family, Mike and Shari, Denese, Susan, Frank and Cheryl, Joel and Gwen, Emma and Connor, Pastor James, Sheila, Micah, Denise and Bill, Grandpa and Grandma, Brian and Carolyn, Janice and Mike, Wil, Shandi, Creek and Ridge, Kiyah, and so many others that are special to my heart. I had medical, dental and vision appointments along with full body and skin treatments. I am eternally grateful!

TO GOD BE THE GLORY
During my time there, I shared the Gospel in different places, namely, Morgan Acres Church (Spokane, WA), Passion Church (Ohio), Baptist Church (Ohio), Laiten Church (Ohio). I was refreshed sharing with the Church of our Savior what God has put on my heart. **MISSIONS MATTER** today and when the Church ceases to be Missional, it ceases to be the Church.

Places I visited in Washington: Spokane, (which included horseback riding), Dry Falls, Leavenworth, and Bellingham. I also enjoyed spending a day at Silverwood Amusement Park in North Idaho.
