2023

Reflecting on the Goodness of God!

By: Shari Bacon

Psalm 34:8 "O taste and see that the Lord is good; How blessed is the man who takes refuge in Him."

It's hard to express the deep gratitude and joy I feel in my heart as we celebrate all that was accomplished together in 2023.

Genesis 1:31 "God saw all that He made and it was very good..." Psalm 145:9 "The Lord is good to all; He has compassion on all He has made. The Goodness of God provides Salvation through His Son, Jesus. God is good and He gives good gifts!"

HE is the foundation of goodness and everything good. Goodness is not in our character. Our goodness comes from God, and the Goodness of God is evident in all His Creation.

WELLS OF HOPE SCHOOL

*Winnie's report from
Rwakobo Village, Uganda*

Page 4

As our Mission Statement reads –

“To make a difference in the world by following the example of our Lord and Savior Jesus Christ...” Educating the vulnerable, break the cycle of poverty, and faithful discipleship...”

Thanks to the Lord’s grace and provision at Wells of Hope School, we’ve witnessed lives change for generations to come with the construction of the second classroom and the installation of WATER! Jesus said, in John 7:37 “If any man is thirsty, let him come to Me and drink.”

As you continue reading the pages of this newsletter, I pray you will be reminded of His Goodness in your life, and know the abundance of gratitude we hold for you in ours!

Will you celebrate with us all that God has done and commit to praying with us for the year ahead? We CELEBRATE the fact that GOD is using YOU to bring HOPE and JOY into the lives of CHILDREN at Wells of Hope School! Thank you!

To God Be The Glory and Happy New Year,
Shari

Warm greetings in our Savior Jesus Christ's name and a Happy New Year!

School graduations are complete...it's always bittersweet as we say good-bye to some and welcome new ones in. We all are extremely grateful for the continued love, prayers, and support! THANK YOU!

From the time our school has been in existence, we have had a consistent, severe water shortage. A tank was built to catch rainwater but it only helps in the rainy season. The installation of city water will eradicate this problem and our kids will have access to clean water that will help with hygiene and aid in their wellbeing. We praise the Lord for this miracle.

Psalm 1:3 "He will be like a tree firmly planted by streams of water, which yields its fruit in its season and its leaf does not wither; and in whatever he does, he prospers."

A dear pastor friend of mine survived an assassination attempt by unknown gunmen.

Sadly, his driver and

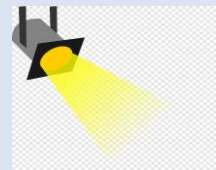

Deacon friend was shot 10 times and killed while he threw himself on top of my friend, the pastor. Please join me in praying for all the families involved. It is a very difficult time. The police are still investigating.

Our next crusade will be in Kenya the weekend of January 12, 2024. We expect 5,000 people or more as so many hunger for the word of God. Already, thousands have surrendered their lives and come to know Jesus as Lord and Savior. They walk miles to hear the Good News of the Gospel.

Prayer Requests - Please join me in praying for:

- ❖ Protection for travel to/from crusades
- ❖ Provisions for Bibles in local dialects
- ❖ Provisions to disciple new Believers

Board Member Spotlight

President

Shari is the founder of Soul Care Global Ministries. She is a retired business owner and a health and wellness advocate.

She is committed to sharing the message of Faith and Hope with others and encouraging them to live their full potential in Jesus' name for His glory. Shari has a deep, lifelong passion for Africa after living there as a child.

- ❖ For my physical strength and wellbeing
- ❖ Provisions to provide a meal for our students
- ❖ Please pray the Lord provides an appropriate means of transportation for the terrain that will keep us moving and keep us safe.

From Wells of Hope School

Dear servants of the Lord, a Happy New year to you and receive our heartfelt thanks!

The work of installing the water to the school is finally done and we are so grateful!

So thankful that as the school opens our kids will have water and this means a lot to us! This saves us the burden of relying on water from contaminated ponds where dirty water would be shared with animals!

We are thankful that throughout the year we will have water!

May God richly bless you and reward your generosity.

Please pray with us as we resume our next academic year in couple of weeks and also for provisions to construct more lavatories per the Ministry of Health requirement due to the number of children attending the Wells of Hope School.

Many blessings,

Winnie
